Form 990 - Organization's Mission

Cornerstone Crossroads Academy (CCA) was incorporated in 2006 and operates in South Dallas. CCA exists to expose at-risk high school students to the hope and abundant life found in Christ and to equip students to know God and serve Him forever. The mission of CCA is to develop urban youth through transformative education and equip future leaders to impact their communities for Christ. CCA accomplishes this through academics, life coaching, community service and special programs. CCA is an accredited, faith-based private high school for young people who are overcoming major barriers to earn an accredited high school diploma.

Form 990, Part III, Line 4a - First Accomplishment

High School Diploma Program - the Academy is an accredited, faith-based private high school for young people who are overcoming major barriers to earn an accredited high school diploma. In addition to high school education services, we offer life skills and leadership training, workforce education and mentoring programs for the Academy's students. For over 15 years, the Academy's goal has been to help students who have given up hope, dropped out of school, and live on the verge of homelessness develop academically, socially, physically, and spiritually so that they are prepared to begin their postsecondary education and/or enter the workforce. Each student who attends the Academy is low-income or extremely low-income, as defined by HUD. Therefore, while the Academy is a private school, the Academy does not charge program fees or tuition. Instead, each student must complete 100 hours of community service in exchange for tuition. This

requirement allows the Academy's students to have ownership in their education, provides services to our community, and gives students opportunities to build job-related skills for their resumes.

The educational model is a blended learning approach of one-on-one tutoring, small group instruction, whole group instruction and an individualized online program that allows students to complete the specific courses they need in order to meet the State of Texas requirements for a high school diploma or complete the GED.

Form 990, Part III, Line 4b - Second Accomplishment

Mentoring and Social Services - students' formal and informal mentoring with staff and volunteers plays a key role in helping students achieve success. Each student is assigned an Advisor Teacher, who meets with the student 1:1 each week. Advisors work with the students to identify and address challenging life issues and habits in their personal lives that present barriers to success. A Graduation Coach helps students define their strengths and identify opportunities for development both in life skills and workforce readiness. A Case Manager helps connect each student with needed resources in the community, including clothing, transportation, housing, food programs, obtaining copies of their birth certificates, social security cards, and state identification cards, as well as medical, dental and vision care.

Form 990, Part III, Line 4d - All Other Accomplishments

Working Warriors Student Work Program - the Academy provides key life workforce skills for students so that they may successfully transition from school to work. Targeted classes provide students with opportunities to

find their purpose, understand their options for higher education, and prepare for the workforce. Students who wish to participate in the work training program commit to working extra hours before and after classes and on weekends. These students also complete leadership classes focused on learning essential life skills for a successful work place transition. Students are connected with work internship opportunities in the community.

Upon approval by the board and signature of the Form 8879, the Form 990 is electronically filed with the IRS.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy
